

CAPTAIN FANTASTIC

LET'S MAKE A...

WHACKY WHIRLPOOL IN A BOTTLE

Dr. Zob's
Crazy list of secret
fun stuff!

1. Make a whacky
Rube Goldberg Machine,
like in that Home Alone movie!

2. Make a homemade
lava lamp! you just need
to mix water, oil and a
crumbled Alka-seltzer in a bottle!

3. Make one of my whacky
whirlpool bottles!

DOCTOR ZOB'S WHACKY WHIRLPOOL

What will we need?

Two bottles of the same size (one partially full)

Strong sticky tape

Scissors

WHIRLPOOL IN A BOTTLE

Step One

Firstly, remove the lids from both bottles. Then place the empty bottle on top of the partially full bottle.

Step Two

Wrap your tape round the neck of the bottles until you feel it is stable and watertight.

Step Three

Turn your bottles upside down and swirl it round in a circle really fast until you see a whirlpool form!

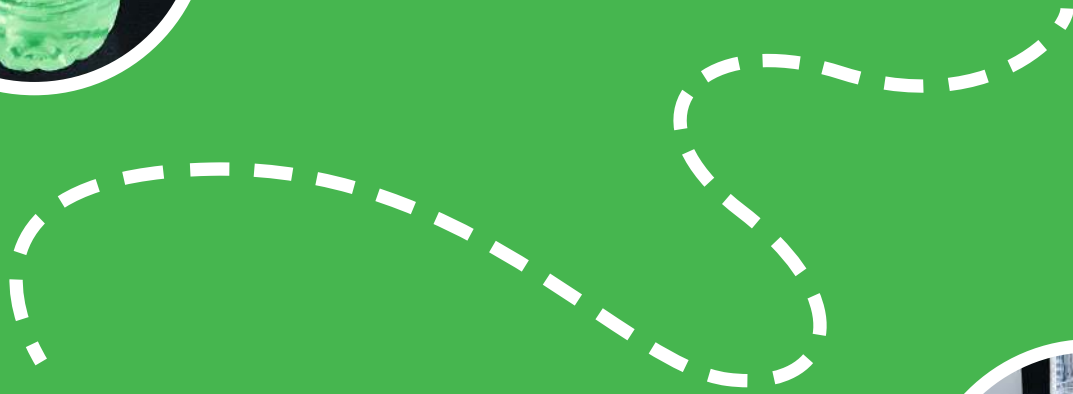

WHIRLPOOL IN A BOTTLE

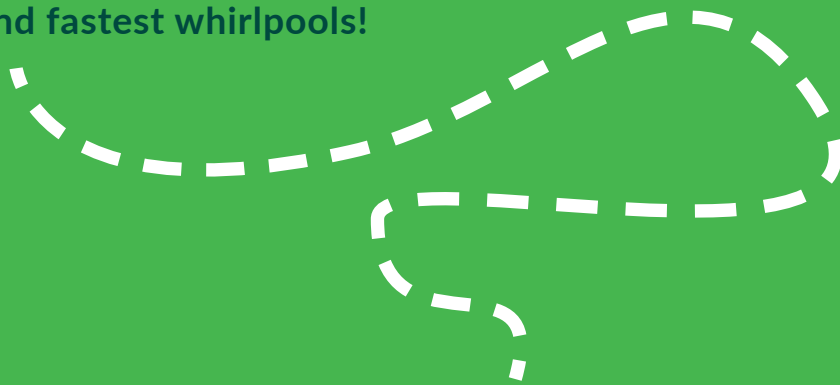

Step Four

Try adding food colouring to your water for some funky coloured whirlpools!

Step Five

If you have four bottles, make two whacky whirlpool bottles, and have competitions to see who can make the biggest and fastest whirlpools!

You're ready for Whirlpool action!

**TWIST
AND
SWIRL!**

Colour
me in!
